Sub : Application of innovative cleaning products i.e Magic 555TM Metal and Engine Parts Cleaner and Magic 555TM, Industrial Degreaser and Cleaner – Product of M/s. P&D Creative Co., Inc.

Madam/Sir,

I am directed to refer to the subject noted above and to send herewith a copy of letter dated 16.01.2009 from the President, M/s. P&D Creative Co., Inc (P&DCC) and to state that the P&DCC is a leading US based manufacturing Company. The Company has come out with an innovative Cleaning Products for serving the Industrial and Institutional markets by replacing the existing toxic chemicals like Kerosene, Diesel etc.

As per the details furnished by the Company, the Cleaning Products manufactured by the Company will have a saving of minimum 15 to 20% over the conventional toxic cleaner. Further the said product is eco-friendly, too. They have also further stated that MAGIC 555TM is the only product in India that is U.S.D.A. approved, EPA and OSHA complaint and Green Seal recommended products.

As directed, I am, therefore, to request you please to have a look at the Company's proposal and explore the possibility of applying these products in the cleaning process of the equipments/ machinery of your organization/ Company, if the same are found to be environmental friendly and cost cutting effective.

This has the approval of Principal Secretary (EPD).

Yours faithfully,

(H.F.Gandharva)
